Drawing, cinema, running

EVA THARRATS

FULL-STACK WEB DEVELOPER

Puteaux (92), Île-de-France

eva.tharrats@sfr.fr

06 87 03 12 58

Full-stack web developer in career transition, currently training at ADA TECH SCHOOL, I combine a background in trilingual executive assistance and hands-on development experience (React, Next.js, WordPress).

I am looking for a **work-study contract (contrat de professionnalisation)** (4 days in company / 1 day of training), initially for **12 months**, with the goal of continuing onto a 24-month Master's program.

LAST WEB PROJECTS

The Wave

[See project >](#)

Stack : Next.js / Express / PostgreSQL / Prisma / React Leaflet / TailwindCSS

Personal project. Surf spots community platform : interactive map, authentication JWT/bcrypt, admin dashboard, lazy loading.

Fondu au Noir

[See project >](#)

Stack : TypeScript / React / Vite / JSON

Personal React self-teaching project. Film noir quiz.

À vos Musées !

[See project >](#)

Stack : JavaScript / API / Leaflet / Chart.js

Data visualisation of French museums: combination of two data.gouv APIs. Interactive map, chart, dynamic filter. Team project, Agile methodology with Jira, daily stand-ups.

EXPERIENCE

WEB DEVELOPMENT INTERNSHIP

Dynseo

02-2024/06-2024

Educational softwares & web agency

Developed and maintained Dynseo's WordPress website and client websites (UX/UI diagnosis, performance improvements, SEO optimization, WooCommerce product pages and e-commerce, responsive design).

TRILINGUAL TEAM & EXECUTIVE ASSISTANT

Les Laboratoires Servier

1995-2023

Designed and administered two SharePoint portals: document architecture, permissions management, and user access control. Deployed a collaborative platform for a community of 200 people: project management, facilitation, and writing of functional documentation.
